MEMORANDUM FOR : [REDACTED]

SUBJECT : Progress Report for Month of August 1957

1 Attached is the Records Center monthly statistical report for the month of August 1957

2 The following summarizes the activity of the Branches during the month:

a Accessioning

The Center called upon the Logistics Office/Transportation Division on three different occasions to transfer a total of 396 cubic feet of material. In addition to this, the Records Center Couriers transported a total of 350 cubic feet of material from the Headquarters Area. The 746 cubic feet of material accessioned is equivalent to the volume of more than 93, four drawer, legal size safe cabinets, which have a replacement value of \$33,010.

During the month there were 260 new intelligence reports and 25 new or revised Administrative Issuances received and processed.

b. Reference

The reference activity during the month has been normal however, there was a slight increase over the previous month.

During the month the Reference Branch inventoried and reboxed over 200 cubic feet of inactive records. This was done in order to facilitate the reference service and conserve space.

c Disposal

A total of 103 cubic feet of material was destroyed and 42 cubic feet were permanently transferred to Headquarters.

There has been an accumulation of 209 cubic feet of material in the disposal area and it is anticipated that this material will be transported [REDACTED] for destruction in the near future.
